

ILTM North America Safety Protocols

Screening

Temperature screening will be mandatory for all attendees.

Self-badge printing

In order to avoid overcrowded spaces, registration will be made through ILTM's platforms. Badges to be printed prior to the event.

Hygiene protocols

Hand sanitiser will be provided for all tables and available throughout the Convention Centre, including all entrance and exit points.

PPE

Use of masks will be mandatory when inside the Convention Centre and recommended, but not mandatory in outdoor spaces.

Networking events

All networking events will be outdoors

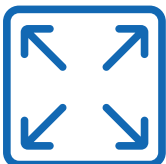

Cleaning

Increased cleaning crews and frequency of cleaning.

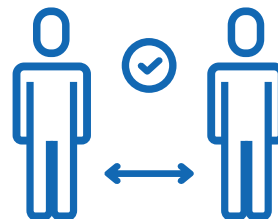

Antigen Test

All participants will be required to take the ANTIGEN TEST either on Monday (all day) or Tuesday (morning)

Maximum capacity

The event's maximum capacity will be reduced according to local government standards.

Social distancing

Social distancing to be followed according to local government standards. This includes 1,5 meters/ 6 feet distance between all meeting tables and diagonally between Buyers and Exhibitors during appointments.
